Directions:

Please check the laundry basket in the sacristy closet (with mirror) and do the laundry weekly.

Please see the diagram for folding purificators and corporals.

All corporals must be starched. You may use the spray starch found in the closet.

If you are unsure where items go, leave out on a cabinet, and I will put it away.

If you are unable to take your month or a week, please call someone on the list to replace you.
