PASTOR'S CORNER

Dear Parishioners:

This weekend we are focusing on PRAYER – the foundation of everything we do as disciples of Jesus. The actions taken in our daily lives should stem from an intimate relationship with Jesus Christ.

Monday begins the **Hallow Rebuild My Church** Parish Challenge, reflecting on Jesus' words to St. Francis of Assisi, "Go. Rebuild my Church."

During the seven days, we will listen for how God wants us to help transform His Church. Throughout this challenge, we will discover that those words were not only meant for Francis, but they've echoed in the lives of ordinary men and women throughout history who allowed Jesus to rebuild His Church through their simple and generous "Yes." Ultimately, we are invited to let Jesus speak those words to us, too. By the end, I hope that you will begin to recognize how Jesus is asking YOU to help rebuild His Church.

And while Hallow gives us a beautiful way to pray and journey together, my deepest hope is that this challenge leads us closer together as a parish. We're preparing some amazing ways for us to continue growing, praying, and serving together right here in our community. Please join us this week and be sure to check out our parish page on the Hallow app to discover where the Lord may be leading us.

Don't forget the Knights of Columbus **PARISH BLOOD DRIVE** this weekend. Walk-ins are welcome, if you didn't register in advance.

The annual **PARISH PET BLESSING** is also taking place this weekend, to honor the Feast of St. Francis. Deacon Bob blessing pets following the 11:30am Mass.

Last Sunday we celebrated Priesthood Sunday. I want to thank you for prayers and ask that you continue to pray for me and the priesthood. As human beings, we too need God's grace in our lives.

Love and Prayers,

Fr. Tuan

MAKE

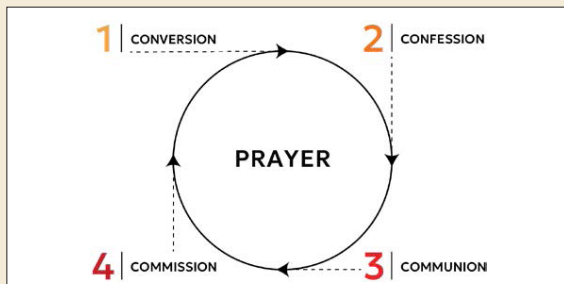

A Pastoral Letter for the People of the Diocese of Joliet

MAKE is a call to action — rooted in Catechesis, Evangelization, and Faith into action — to follow Jesus' Great Commission: Go and MAKE disciples.

It's time to live our faith boldly. Together, let's make disciples — starting now!

This week's spotlight on MAKE: **Prayer**

Prayer is the central and vital piece that deserves special attention. Prayer is at the core of the all elements of discipleship – Confession, Conversion, **Communion** and **Commission**. It runs through all of them and holds them together. Put simply, prayer is talking to and listening to God. Prayer is our relationship with God Himself.

"Prayer is the raising of one's mind and heart to God." (CCC 2559)

Visit www.make.diojoliet.org to learn more about MAKE and to find additional Resources for PRAYER.

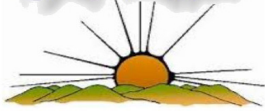

All are welcome to stop by Margaret Woods Parish Hall weekly following Sunday morning masses. Grab a doughnut or bagel, and enjoy some fellowship!

Season of Creation 2026

The Blessing of Pets and Stewardship for Wildlife

This weekend, we come to the end of the Season of Creation with the celebration of the Feast of Saint Francis of Assisi and the annual blessing of the pets. Saint Francis is the patron saint of ecology and animals, among other things. As we celebrate his feast, we honor his memory in the blessing of animals.

Saint Francis viewed all creation as a blessing and gift from God, to be honored and protected. He viewed all living things as his brothers and sisters and encouraged all to value the beauty of nature and the presence of wildlife. We can follow his example in our own lives and in our own homes.

There is still time this year to do some fall planting in your yard, if you have one. Along with the beautiful mums available through Saint Peter's, you can find native plants that provide a wide range of benefits to local wildlife. Flowering plants provide nectar and pollen for many local pollinators. Seed and berry producing plants are "living bird feeders", providing healthy nourishment to many species during the fall as they fatten up for migration, hibernation or the long cold of winter.

Having bird feeders helps this time of year. Many species are moving through the area on their way to their winter homes. They need fuel for the journey to survive the many, many miles they will be flying. Other bird species that don't migrate need more food as well. They need to build up a reserve of body fat to help insulate them from winter's cold and help sustain them in the lean time in winter, when food becomes more scarce.

While the Season of Creation is coming to a close, our duty as stewards of creation does not end. We are called to care for the planet God made for us. We are called to protect it from pollution, litter and degradation. Each of us has the opportunity every day to do a little to make the planet better. If we all take just one small action every day, the effects will compound, and we can help make this community a healthy and sacred space.

The Support of Your Business is Greatly Appreciated

Tim Brinckerhoff from LPi, our bulletin printer, is currently securing new ads for our parish bulletin. It is the support of the business community that helps our church thrive. Please consider purchasing a print and/or digital ad as your participation makes our bulletin successful, and you attract customers!

Church bulletin advertising

is a cost-effective way to advertise 52 times per year and show support for your local community; in turn, parishioners will support you!

Digital advertising allows your business to be front and center to anyone who visits a church profile page on ParishesOnline.com — that's approximately 500,000 page views per month!
